Key and item analysis

Question 1

The following is part of class presentation by college students.

Which slide are the students showing?

ANSWER KEY

A.

LEVEL OF DIFFICULTY

More challenging

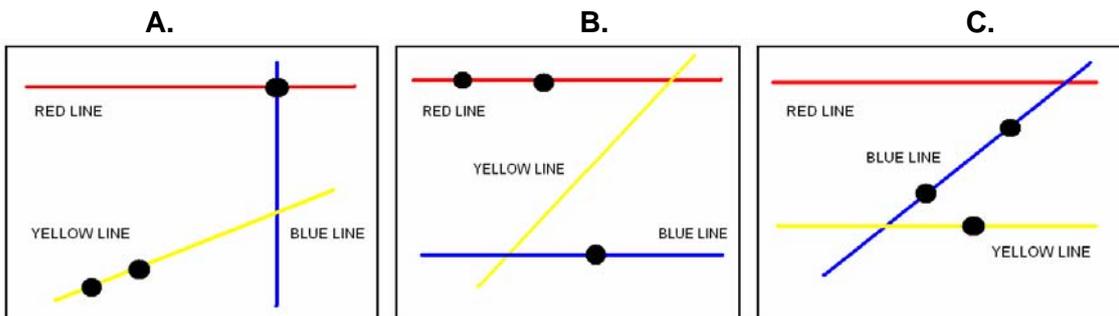

ITEM INFORMATION

The text states that medicine is a little more popular than business (“outranks business by a small margin”) and it can be inferred that the numbers of students intending to follow education as a career is low as the speaker predicts a crisis in the near future. Therefore, A is the correct answer choice.

Question 2

The following is part of a presentation by the local transportation authority.

Which diagram shows the proposed changes?

ANSWER KEY

A.

LEVEL OF DIFFICULTY

Less challenging

ITEM INFORMATION

The text states that two new stations will be provided on the yellow line and one on the red line, establishing a link to the blue line, so A is the correct answer choice.

Question 3

The following is part of a discussion at the city planning office.

Which map shows the proposed new city zoning?

A.

East side Light Industry	Riverfront
	City Center Commercial & Residential

B.

East side Residential	Riverfront
	City Center Commercial & Light Industry

C.

East side Residential	Riverfront
	City Center Commercial & Residential

ANSWER KEY

C.

LEVEL OF DIFFICULTY

Medium

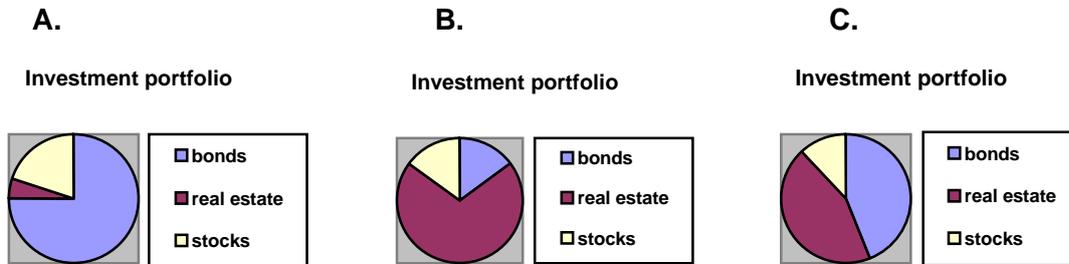

ITEM INFORMATION

The text states that the city center is currently zoned for commercial use, but that this should include residential buildings, while the East Side should be zoned for housing. For these reasons, C is the correct answer choice.

Question 4

The following exchange takes place at a meeting of investors.

Which chart best represents the investment portfolio discussed?

ANSWER KEY

C.

LEVEL OF DIFFICULTY

Medium

ITEM INFORMATION

One speaker states that the majority of funds should be invested in government bonds, with a small percentage in stocks. The other speaker agrees, but advises that the bonds should be balanced by real estate, to which the first speaker agrees. Therefore, C is the correct answer choice.

Question 5

The following conversation takes place between a presenter at a CALL conference and a participant.
