

LEARNING

✓ The Hellenic American Union is a leading educational institution in Greece with decades of experience in language education and cultural immersion.

✓ The HAU Summer School offers international students or students all over Greece an unforgettable **Modern Greek language** experience hosted in Athens, Greece.

✓ The flexible duration of the program (1–2 weeks) and the fully customizable activities can cater to different students' needs.

✓ Our summer program combines focused language learning with enriching cultural and creative activities, and provides a truly **immersive learning environment**.

IF...

you are dreaming about experiencing authentic Greek culture, visiting Athens, and its main archaeological sites...

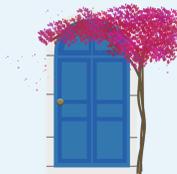

you are dreaming of spending a day on a Greek island, basking under the sun...

you are dreaming of strolling around the historical city centre at the heart of Athens, and all these in

GREEK

then we are waiting for you!

Σας περιμένουμε!
