To: Peter  
From: Mandy  
Subject: A different vacation!

Dear Peter,

I'm having an amazing vacation in Europe and I'm in France at the moment. After all my school tests finished in June, I started my vacation with my family in July. We'll return in August, so when I see you at school in September, I'll tell you about it.

This is so different to the vacations we usually take. My parents usually prefer lying on a beach all day. My brother Ben prefers camping in the forest and I usually like sightseeing. We don't like walking, so Mom and Dad decided to go on a driving vacation this year.

Dad booked rooms online and he was surprised that he found rooms so easily in the summer because the hotels are usually full. He booked cheap ones of course, but so far they have been very nice.

We rented a car at the airport in Italy and stopped at various hotels in the mountains on the way to Austria. The mountains were beautiful and I went on a boat in a lake for the first time. I've been on planes and trains, but I've never been on a boat!

Austria was lovely and then we went through Germany, where the countryside was fantastic. But for me, France is the most interesting country and I would love to return soon.

I hope you're enjoying your vacation.

See you soon,  
Mandy
