## PROJECT MANAGEMENT BOOKS & PUBLICATIONS

There is a new section in the Library of the Hellenic American Union dedicated to Project Management Science and Best Practices. Feel free to drop by the 4<sup>th</sup> floor, in a relaxing, quiet environment where you can study the books at your own time.

### The Library

The Library has at its disposal 30,000 titles of books in Greek and English, in the fields of Philosophy, Sociology, Education, Language and Linguistics, Business Administration, Literature, Art, History and Culture. Other collections include 166 titles of journals and 6 titles of daily newspapers also in Greek and English. The Hellenic American Union Library material consists of books, journals (both in printed and electronic form), cd-ROMs and videotapes. This material is divided into categories of collections, providing to its users the best possible service.

You may also suggest other books you think should be included in the Project Management section. Send us a message with the title and some comments and we will make sure this book will be added in our Library.

If you need more information on how to access the Library please ask at the Registration Desk or send an e-mail to [project@hau.gr](mailto:project@hau.gr)
